# A Champion of Brooklyn's Interests

**B**ROOKLYN is a thriving borough of the great City of New York, with a population of upward of one million five hundred thousand. Because of its attractive geographical position, its many alluring inducements to the home seeker, the borough's great area, much of which still invites the ring of the builder's hammer, and the possibilities of further development in many directions, Brooklyn bids fair to become one of the greatest residential centres in the world.

Every community is fortunate that has as a champion an able, dignified and loyal newspaper. The Brooklyn Daily Times occupies such a position in Brooklyn to-day. The Times has been before the Brooklyn public for sixty-three years, and it has not only supported every movement that has had as its purpose a greater and a better Brooklyn, but it has suggested many worthy civic enterprises and by its logical and incessant advocacy and its potent influence among men in high places everywhere it has brought them to a successful culmination. The Brooklyn Times is a fully developed, wide-awake Brooklyn newspaper, made to interest and to benefit Brooklyn people, and it is pledged to support and to guard Brooklyn's welfare always.

In a word, the Times is all that a reputable daily American newspaper should be. It presents the news with a keen regard for decency, accuracy and sanity. The headlines display no evidence of hysterics and the text matter is intended to encourage right thinking tendencies and to inspire a high regard for life and its requirements. The Times is interested in Brooklyn people, Brooklyn enterprises and in Brooklyn advancement. Every well-regulated Brooklyn home should have a daily copy of

## H. HEALY

Dealer in Diamonds, Fine Jewelry  
and Watches

502 Fulton Street, near Bond

I make a specialty of Diamonds, and by keeping close watch on the market and purchasing only when the precious gems are offered at a sacrifice, am enabled to undersell dealers who import or buy through regular channels.

Value Guaranteed or Money Refunded. Strictly One Price

As Expert Appraiser, I adjust value of jewels to facilitate division of estates, or aid purchasers in securing correct values; fees moderate. H. HEALY.

### "TOPPLED OVER TO DEATH"

Do you cough? If so, stop it! Hundreds—aye, thousands—neglect to stop it. But, undisturbedly, because a man feels strong while he has a cough, because his appetite is good, "he throws medicine to the dogs," and consoles himself with the idea that he is going to work it off. But in twelve short months this man becomes a living skeleton. CONSUMPTION raises the banner of DEATH, and he TOPPLES OVER—to follow, another victim of misplaced confidence. To all who cough, acute or chronic, hard or soft, young or old, rich or poor
